PROJECTS

Branding and Website

- Played a key roles, team second/administrator and a designer, in rebranding and creating a Wordpress website for Populii.ca, contributing to the on-line presence of a growing business.
- Conducted research and developed user personas to inform website design, contributing to improved user experience and engagement.
- Designed a new logo and mock-ups of promotional material, helping to establish brand identity and recognition within the target market.

Document Layout and Design

- Designed a branded Vet Program Completion Certificate with fillable fields, simplifying administrative processes for veterinary offices.
- Developed a visually appealing promotional pamphlet, product labels and Shopify store front for a cosmetic company.

Documentary Video

- Managed the production of a short biopic of a local brewer and their pub, gaining hands-on experience in all aspects of video production.
- Received positive feedback from peers and professors for the quality and professionalism of the video project.
- Completed the project on schedule, demonstrating project management skills.

Promo Video

- Led a team to create a promotional video within a strict four-week deadline, gaining experience in project leadership and teamwork.
- Implemented motion design techniques and special effects to enhance the video's visual appeal and effectiveness.
- Assisted in directing the project and contributing to design elements, gaining practical experience in video production and motion graphics.

Freelance Portraits

- Produced high-quality head shots for on-line profiles, ensuring professional representation for the client.
- Enhanced eight stylized shots for theater playbills, contributing to the visual appeal of promotional materials for local productions.
- Consistently met project deadlines, demonstrating reliability and have deliverables ready before the deadline.
